- Must be able to load and unload cattle.
- Communicate with producers and fellow employees of the schedule.
- Must be able to schedule loads as well as work around other people's schedules.
- Must have proper knowledge of cattle to assure proper livestock hauling as well as having sorting and loading skills.
- Manage loads to ensure equipment is loaded legally from a weight and safety standpoint.
- Coordinate all load information with the Cattle Division Dispatcher.
- Keep an accurate FMCSA driver's log
- Perform pre and post inspections daily.
- Handles all loads and equipment in such a manner to keep free from damage and freight claims.
- Follow the FMSCA and Company Policy. Always work together with your team to keep everyone efficient and safe.
- Performs other duties as needed and/or assigned
- Must be capable of regular and predictable attendance
  - Able to work overtime and weekends as needed
  - Able to work holidays as needed

**QUALIFICATIONS:**

- Must be at least 21 years old.
- Must have a valid Class A CDL
- The company will require employee to get Tanker Endorsement within the first 30 days of employment.
- Mentor Programs are available for drivers with less than a year of experience.
- Detail oriented and timely.
- Effective communication skills
- Ability to manage time wisely

**BENEFITS:**

Health, Life, Short & Long-term Disability, Dental, Vision, 401(k), Flex Spending Plan, Wellness Program, EAP, Paid Holidays, Paid Vacations, Paid Sick Days, Competitive Wage and Great People to work with!

**WORK ENVIRONMENT:**

The work environment and physical characteristics are representative of those that an employee encounters while performing the essential functions of this position. Refer to the “Essential and Marginal Function Analysis” statement for a complete description of essential functions and functional requirements.
